FOR IMMEDIATE RELEASE

Action Health named 2016 Market Mover by Modern Distribution Management

BENSENVILLE, IL – Action Health is honored to be named a 2016 Market Mover by Modern Distribution Management. Action Health is a healthcare-focused supplier providing specialty bags and packaging products.

Modern Distribution Management (MDM) is the only specialized information business that provides high-level in-depth resources to executives who are in or serve the wholesale distribution industry. <http://www.mdm.com/about>

In 2016, MDM is recognizing distributors that are innovative in their approach to their markets. Bensenville, IL-based health care packaging distributor Action Health was selected as a 2016 MDM Market Mover for its innovative approach for adapting to the new low-margin reality of its market. <http://www.mdm.com/articles/35673>

About Action Health

Action Health's mission is to deliver savings to the supply chain. Leveraging 36 years of expertise, their comprehensive selection of specialty bag products are offered at market-leading prices to all classes of trade. Customers achieve cost savings through up-front value, custom contracts, and custom products. Action Health (formerly Action Bag Company) is a Women Business Enterprise certified by WBENC and the City of Chicago. For additional information visit www.actionhealth.com.
