FOR IMMEDIATE RELEASE

Action Health awarded Vizient Inc Diversity Supplier of the Year

BENSENVILLE, IL – Action Health is the proud recipient of the Diversity Supplier of the Year Award from Vizient, Inc. Action Health is a longstanding WBE supplier providing specialty bags and healthcare packaging products.

Supplier diversity is a mutually beneficial sourcing strategy that allows healthcare organizations to increase competition, broaden their supplier base, and support federal or internal diversity sourcing initiatives. Action Health is honored to be a trusted Vizient, Inc partner working to strengthening their product portfolio to reflect the diverse markets we collectively serve.

About Action Health

Action Health's mission is to deliver savings to the supply chain. Leveraging 36 years of expertise, their comprehensive selection of specialty bag products are offered at market-leading prices to all classes of trade. Customers achieve cost savings through up-front value, custom contracts, and custom products. Action Health (formerly Action Bag Company) is a Women Business Enterprise certified by WBENC and the City of Chicago. For additional information visit www.actionhealth.com.
